COASTAL INSPIRATION FUELED BY A LEGACY OF CREATIVITY

Melissa Hyatt is the watercolor artist and designer behind the captivating landscape, coastal and wildlife paintings that grace homes and hearts alike.

Inspired by her Grandmother's love for creativity and her own background in surface pattern design, Melissa launched Melissa Hyatt LLC with a simple goal: to share her watercolors with the world.

Starting small, Melissa sold her creations online and at local markets, steadily growing her following. In 2020, a local stationery shop recognized the charm of her art and began carrying her products, marking the beginning of her wholesale journey.

Now, Melissa proudly presents her debut digital wholesale catalog, showcasing her latest offerings including greeting cards, an annual calendar and an assortment of art prints. This catalog represents a dream come true for Melissa, who has long aspired to expand her line of greeting cards and stationery.

Grateful for the support of her customers, Melissa extends her heartfelt thanks to those who have been with her every step of the way.
